Made from a solid bar of Best Silver Steel. Lighter, Stiffer, Stronger, and cut easier and faster than any other.  
 Light enough for any work—Heavy enough for any. The Climax.

**THE NEW TEMPER.**

The brilliant discoveries of our Foreman, Mr. George Jessup, in new methods of tempering steel, have given these tools the highest reputation in the American market, and have placed him in the front rank of American Inventors. All our tools are tempered by him, and thus their cutting qualities are unequalled by any other manufacture.

**FULLY WARRANTED.**
